

1. Put your names (**as it appears on Canvas**), and contribution of each member of the group.
2. Students must follow a reasonable code of conduct. Cheating or other dishonest practices will not be tolerated and will result in a project grade of zero. Such practices include, but are not limited to:

- you are not allowed to use any resources from web,
- you are not allowed to post the data or any part of the project online, and
- do not provide assistance to others, also do not receive any assistance from others.

3. Please **sign the pledge below**.

*We will follow a reasonable code of conduct as described in points above. I/We will neither give nor receive un-authorized aid.* We certify here that the work on this project is solely ours. We did not receive any assistance from others and we did not provide any assistance to others. The resources which we have used are only from class resources. Without this completely sign by each group member, your report will not be accepted and you will receive 0.
